Defendants admit, as indicated in the package insert approved by the FDA, that Bextra® is indicated for use in the relief of the signs and symptoms of osteoarthritis and adult rheumatoid arthritis, as well as for the treatment of primary dysmenorrhea. Defendants state that the potential effects of Bextra® were adequately described in its FDA-approved prescribing information, which was at all times adequate and comported with applicable standards of care and law. 16. Defendants deny the allegations contained in paragraph 16 of Plaintiffs’ Complaint.

15 22. Plaintiffs fail to provide the proper context for the allegations
16 contained in paragraph 22 of Plaintiffs' Complaint. Defendants state that the
17 potential effects of Bextra® were adequately described in its FDA-approved

21 23. Defendants state that the potential effects of Bextra® and Celebrex®

1 request of the FDA. Defendants deny the remaining allegations contained in
2 paragraph 24 of Plaintiffs' Complaint.

3
4 **AFFIRMATIVE DEFENSES**

5 **FIRST AFFIRMATIVE DEFENSE**

6 1. Plaintiffs' Complaint fails to state facts sufficient to constitute a cause
7 of action against these Defendants.

8
9 **SECOND AFFIRMATIVE DEFENSE**

10 2. This Court lacks personal jurisdiction over these Defendants.

11
12 **THIRD AFFIRMATIVE DEFENSE**

13 3. Plaintiffs are barred from any recovery against these Defendants by
14 the doctrines of waiver and estoppel.

15
16 **FOURTH AFFIRMATIVE DEFENSE**

17 4. The Complaint is barred by reason of the doctrine of laches and by the
18 fundamental unfairness and prejudice of the excessive and lengthy delay from the
19 date of the alleged use of Bextra® and Celebrex® to the filing of the Complaint.

20
21 **FIFTH AFFIRMATIVE DEFENSE**

22 5. Defendants state on information and belief that the Complaint and
23 each purported cause of action contained therein is barred by the applicable
24 statutes of limitation.

25
26 **SIXTH AFFIRMATIVE DEFENSE**

27 6. Any and all injuries suffered by Plaintiffs, the fact of which is
28 expressly denied by these Defendants, were the direct and proximate result of

8.

DEFENDANTS PFIZER INC., PHARMACIA CORPORATION AND G.D.
SEARLE LLC'S ANSWER TO COMPLAINT

1 sensitivities, medical conditions, reactions and/or idiosyncrasies peculiar to
2 Plaintiff that were unknown, unknowable or not reasonably foreseeable to these
3 Defendants, and not, as alleged, as a direct and proximate result of wrongful
4 conduct on the part of these Defendants, the fact of which is expressly denied by
5 these Defendants.

6
7 **SEVENTH AFFIRMATIVE DEFENSE**

8 7. No act or omission of these Defendants was a substantial factor in
9 bringing about the alleged injuries of Plaintiffs, nor was any such act or omission a
10 contributing cause thereof, and any alleged acts or omissions of these Defendants
11 were superseded by the acts or omissions of others, including Plaintiffs, which
12 were the independent, intervening and proximate cause of any injury, damage, or
13 loss sustained by Plaintiffs.

14
15 **EIGHTH AFFIRMATIVE DEFENSE**

16 8. Defendants state on information and belief that any injuries, losses or
17 damages suffered by Plaintiffs were proximately caused, in whole or in part, by the
18 failure of Plaintiffs to exercise ordinary care and to follow the advice, information,
19 warnings and/or instructions provided with the product and therefore, Plaintiffs'
20 recovery, if any, must be diminished by the proportion of the negligence of
21 Plaintiffs which proximately caused or contributed to the alleged injuries, losses or
22 damages.

23
24 **NINTH AFFIRMATIVE DEFENSE**

25 9. Defendants state on information and belief that any injuries, losses or
26 damages suffered by the Plaintiffs were proximately caused, in whole or in part, by
27 the negligence or other actionable conduct of persons or entities other than these
28 Defendants.

TENTH AFFIRMATIVE DEFENSE

10. Defendants state on information and belief that Plaintiffs failed to mitigate Plaintiffs' injuries, losses or damages, if any, suffered as a result of the incident and facts set forth in the Complaint.

ELEVENTH AFFIRMATIVE DEFENSE

11. Plaintiffs' alleged injuries and damages, if any, were the result of the misuse of Bextra® and Celebrex®. Defendants further allege that if Plaintiff suffered injuries attributable to the use of Bextra® and Celebrex®, which allegations are expressly denied, the injuries, if any, were solely caused and attributable to the unreasonable, unforeseeable and improper use of said pharmaceutical product by Plaintiff and/or third parties.

TWELFTH AFFIRMATIVE DEFENSE

12. Plaintiffs have failed to join all indispensable parties; as a result of such failure to join, complete relief cannot be accorded to those already parties to the action and will result in prejudice to these Defendants in any possible future litigation.

THIRTEENTH AFFIRMATIVE DEFENSE

13. The manufacture, distribution and sale of Bextra® and Celebrex® referred to in Plaintiffs' Complaint were at all times in compliance with all federal regulations and statutes, and Plaintiffs' causes of action are preempted.

FOURTEENTH AFFIRMATIVE DEFENSE

14. To the extent that Plaintiffs assert claims based on these Defendants' alleged adherence or lack of adherence to and compliance with applicable federal

1 laws, regulations, and rules, such claims are preempted by federal law under the
2 Supremacy Clause of the United States Constitution.

3 4 **FIFTEENTH AFFIRMATIVE DEFENSE**

5 15. Plaintiffs are barred from recovering against Defendants because
6 Plaintiffs' claims are preempted in accordance with the Supremacy Clause of the
7 United States Constitution and by the Federal Food, Drug and Cosmetics Act
8 ("FDCA"), 21 U.S.C. § 301 *et. seq.*, and regulations promulgated thereunder, with
9 the regulations promulgated by the FDA to implement the FDCA, with the
10 purposes and objectives of the FDCA and the FDA's implementing regulations,
11 and with the specific determinations by the FDA specifying the language that
12 should be used in the labeling accompanying the subject pharmaceutical products.

13 14 **SIXTEENTH AFFIRMATIVE DEFENSE**

15 16. Plaintiffs' claims are barred in whole or in part under the applicable
16 state law because Bextra® and Celebrex® are subject to and received pre-market
17 approval by the FDA under 52 Stat. 1040; 21 U.S.C. § 301.

18 19 **SEVENTEENTH AFFIRMATIVE DEFENSE**

20 17. Plaintiffs' claims are barred in whole or in part by the deference given
21 to the primary jurisdiction of the FDA over Bextra® and Celebrex® under
22 applicable federal laws, regulations, and rules.

23 24 **EIGHTEENTH AFFIRMATIVE DEFENSE**

25 18. Plaintiffs' claims are barred in whole or in part because there is no
26 private right of action concerning matters regulated by the FDA under applicable
27 federal laws, regulations, and rules.

NINETEENTH AFFIRMATIVE DEFENSE

19. The warning, labeling, advertising and sale of Bextra® and Celebrex® complied at all times with the FDCA, 21 U.S.C. § 300 *et seq.* and the Federal Trade Commission Act, 15 U.S.C. § 41 *et seq.* Consequently, Plaintiffs' Complaint is preempted by these acts and compliance with these acts constitutes a complete or partial defense to the allegations of Plaintiffs' Complaint against Defendants, including any claim for punitive damages. Alternatively, Defendants are entitled to a presumption that Bextra® and Celebrex® are not defective or unreasonably dangerous and that their labeling was adequate.

TWENTIETH AFFIRMATIVE DEFENSE

20. If Bextra® and Celebrex® manufactured or sold by these Defendants were involved in the incident alleged in the Complaint herein, which these Defendants deny, then and in that event, Bextra® and Celebrex® were not defective at the time that they left the control of these Defendants.

TWENTY-FIRST AFFIRMATIVE DEFENSE

21. Applicable definitions of manufacturing defect and design defect, and standards for determining whether there has been an actionable failure to warn, are unconstitutional in that, among other things, they are void for vagueness and an undue burden on interstate commerce, as well as an impermissible effort to regulate in an area that previously has been preempted by the federal government.

TWENTY-SECOND AFFIRMATIVE DEFENSE

22. Bextra® and Celebrex® conformed to the then current state of the art. Further, the then current state of medical, scientific and industrial knowledge, art and practice was such that these Defendants did not know, and could not

1 reasonably have known, that Bextra® and Celebrex® might pose a risk of harm in
2 normal and foreseeable use.

3 4 **TWENTY-THIRD AFFIRMATIVE DEFENSE**

5 23. Defendants allege that Bextra® and Celebrex® were fit and proper for
6 their intended purpose and that the utility of Bextra® and Celebrex® outweigh any
7 possible risk inherent in the use of Bextra® and Celebrex®.

8 9 **TWENTY-FOURTH AFFIRMATIVE DEFENSE**

10 24. Defendants are informed and believe and thereon allege that, at or
11 about the times, dates and places mentioned in the Complaint, if any risk was
12 attendant upon Plaintiffs, which Defendants deny, Plaintiffs knew full well of such
13 risk, were warned of such risk and voluntarily, and without compulsion or
14 coercion, encountered and assumed such risk.

15 16 **TWENTY-FIFTH AFFIRMATIVE DEFENSE**

17 25. Bextra® and Celebrex® have at all relevant times been available only
18 upon the prescription of a licensed physician, and Plaintiffs' prescribing physicians
19 stood in the position of the learned intermediaries between Defendants and
20 Plaintiffs. To the extent that Plaintiffs assert claims based on an alleged failure by
21 Defendants to warn Plaintiffs directly of alleged dangers associated with Bextra®
22 and Celebrex®, such claims are barred because Defendants have discharged their
23 duty to warn in their warnings to the prescribing physicians, under the learned
24 intermediary doctrine.

25 26 **TWENTY-SIXTH AFFIRMATIVE DEFENSE**

27 26. Plaintiffs' claims against Defendants are barred under § 6(c) of the
28 Restatement of Torts (Third): Products Liability.

TWENTY-SEVENTH AFFIRMATIVE DEFENSE

27. Plaintiffs' strict liability claims are barred by the unavoidably dangerous product defense stated in Comment k to § 402A of the Restatement (Second) of Torts.

TWENTY-EIGHTH AFFIRMATIVE DEFENSE

28. Plaintiffs' claims are barred in whole or in part because Defendants provided adequate "direction or warnings" as to the use of Bextra® and Celebrex® within the meaning of Comment j to § 402A of the Restatement (Second) of Torts.

TWENTY-NINTH AFFIRMATIVE DEFENSE

29. Plaintiffs' claims are barred in whole or in part because Bextra® and Celebrex® "provide[d] net benefits for a class of patients" within the meaning of Comment f to § 6 of the Restatement (Third) of Torts: Products Liability.

THIRTIETH AFFIRMATIVE DEFENSE

30. Plaintiffs' claims are barred under § 4, et seq., of the Restatement (Third) of Torts: Products Liability.

THIRTY-FIRST AFFIRMATIVE DEFENSE

31. Defendants allege that in the event that reliance was placed upon Defendants' nonconformance to an express representation, this action is barred since there was no reliance upon representations, if any, of these Defendants.

THIRTY-SECOND AFFIRMATIVE DEFENSE

32. Plaintiffs' claims of fraud and concealment are barred by reason of Plaintiffs' failure to allege the circumstances constituting the alleged fraud and concealment with particularity.

THIRTY-THIRD AFFIRMATIVE DEFENSE

33. Defendants are informed and believe and thereon allege that Plaintiffs failed to provide Defendants with timely notice of any alleged nonconformance with any express representation.

THIRTY-FOURTH AFFIRMATIVE DEFENSE

34. To the extent that Plaintiffs seek punitive damages for the conduct which allegedly caused injuries asserted in the Complaint, punitive damages are barred or reduced by applicable law or statute or, in the alternative, are unconstitutional insofar as they violate the due process protections afforded by the United States Constitution, the excessive fines clause of the Eighth Amendment of the United States Constitution, the Commerce Clause of the United States Constitution, the Full Faith and Credit Clause of the United States Constitution, and applicable state provisions. Any law, statute, or other authority purporting to permit the recovery of punitive damages in this case is unconstitutional, facially and as applied, to the extent that, without limitation, it: (1) lacks constitutionally sufficient standards to guide and restrain the jury's discretion in determining whether to award punitive damages and/or the amount, if any; (2) is void for vagueness in that it failed to provide adequate advance notice as to what conduct will result in punitive damages; (3) permits recovery of punitive-damages based on out-of state conduct, conduct that complied with applicable law, or conduct that was not directed, or did not proximately cause harm, to Plaintiffs; (4) permits recovery of punitive damages in an amount that is not both reasonable and proportionate to the amount of harm, if any, to Plaintiffs and to the amount of compensatory damages; if any; (5) permits jury consideration of net worth or other financial information relating to these Defendants; (6) lacks constitutionally sufficient standards to be applied by the trial court in post-verdict review of any

1 punitive damages awards; (7) lacks constitutionally sufficient standards for
2 appellate review of punitive damages awards; and (8) otherwise fails to satisfy
3 Supreme Court precedent.

4
5 **THIRTY-FIFTH AFFIRMATIVE DEFENSE**

6 35. To the extent that Plaintiffs seek punitive damages for an alleged act
7 or omission of these Defendants, no act or omission was oppressive, fraudulent, or
8 malicious, and therefore, any award of punitive damages is barred.

9
10 **THIRTY-SIXTH AFFIRMATIVE DEFENSE**

11 36. Plaintiffs' claims are barred in whole or in part because all acts or
12 omissions by these Defendants (or their agents or representatives) were privileged
13 or justified and any claim based thereon is barred.

14
15 **THIRTY-SEVENTH AFFIRMATIVE DEFENSE**

16 37. Plaintiffs' claims are barred in whole or in part because Plaintiffs lack
17 standing to bring such claims.

18
19 **THIRTY-EIGHTH AFFIRMATIVE DEFENSE**

20 38. Plaintiffs' claims are barred in whole or in part because Defendants
21 have been improperly joined in this action.

22
23 **THIRTY-NINTH AFFIRMATIVE DEFENSE**

24 39. Plaintiffs were contributorily or comparatively negligent, which
25 contributory or comparative negligence constitutes a proximate cause of harm to
26 Plaintiffs.

FORTIETH AFFIRMATIVE DEFENSE

40. Plaintiffs' claims are barred because the Plaintiff would have taken Bextra® and Celebrex® even if Bextra® and Celebrex® labeling contained the information that Plaintiffs contend should have been provided.

FORTY-FIRST AFFIRMATIVE DEFENSE

41. Plaintiffs' claims are barred, in whole or in part, because the advertisements, if any, and labeling with respect to Bextra® and Celebrex® were not false or misleading and, therefore, constitute protected commercial speech under the applicable provisions of the United States Constitution.

FORTY-SECOND AFFIRMATIVE DEFENSE

42. To the extent that Plaintiffs' claims are based on a theory providing for liability without proof of causation, the claims violate Defendants' rights under the United States Constitution.

FORTY-THIRD AFFIRMATIVE DEFENSE

43. To the extent Plaintiffs are seeking recovery for benefits entitled to be received or actually received from any other source for injuries alleged in the Complaint, such benefits are not recoverable in this action.

FORTY-FOURTH AFFIRMATIVE DEFENSE

44. Defendants made no warranties of any kind, express or implied, or any representations of any nature whatsoever to Plaintiffs herein. Additionally, as a manufacturer and not a seller, Defendants are not subject to liability for implied warranties without privity, i.e., proof of direct and specific transactions between the Plaintiffs and Defendants. If any such warranties were made, whether express or implied, which Defendants specifically deny, then Plaintiffs failed to give timely

1 notice of any breach thereof.

2
3 **FORTY-FIFTH AFFIRMATIVE DEFENSE**

4 45. Plaintiffs' claims are barred, in whole or in part, by the doctrine of
5 accord and satisfaction.

6
7 **FORTY-SIXTH AFFIRMATIVE DEFENSE**

8 46. Defendants are entitled to credit for any settlement of claims for
9 alleged injuries and damages made by Plaintiffs with any other defendant or other
10 person or entity.

11
12 **FORTY-SEVENTH AFFIRMATIVE DEFENSE**

13 47. Plaintiffs' claims are barred in whole or part because they have been
14 filed in an improper venue.

15
16 **FORTY-EIGHTH AFFIRMATIVE DEFENSE**

17 48. To the extent Plaintiffs seek restitution or damages on behalf of
18 individuals who used Bextra® and Celebrex® and suffered no damage or loss as a
19 result thereof, restitution or damages are unavailable as nothing has been taken
20 from those individuals, who allegedly could have an equitable basis for restitution
21 or damages.

22
23 **FORTY-NINTH AFFIRMATIVE DEFENSE**

24 49. Plaintiffs' claims for restitution for products previously used are barred in
25 whole or in part because the Plaintiffs received benefits from the subject pharmaceutical
26 products and nothing was wrongfully taken from such Plaintiffs.

FIFTIETH AFFIRMATIVE DEFENSE

50. Defendants intend to rely upon such other affirmative defenses as may become available or apparent during the course of investigation, discovery, or trial, and reserves the right to amend the Answer to assert such other defenses to which it may be entitled.

PRAYER

WHEREFORE, Defendants pray for judgment as follows:

1. That Plaintiffs take nothing from Defendants by reason of the Complaint;
2. That the Complaint be dismissed;
3. That Defendants be awarded its costs for this lawsuit;
4. That the trier of fact determine what percentage of the combined fault or other liability of all persons whose fault or other liability proximately caused Plaintiffs' alleged injuries, losses or damages is attributable to each person;
5. That any judgment for damages against Defendants in favor of Plaintiffs be no greater than an amount which equals its proportionate share, if any, of the total fault or other liability which proximately caused Plaintiffs' injuries and damages; and
6. That Defendants have such other and further relief as the Court deems appropriate.
